

N.O.R.A Indoor Oval Racing Guidelines

- All Classes are 1/10th, 1/12th, or 1/18th scale Electric R/C. All Winter In-Door classes are ran on a flat Carpeted surface.
- All Classes must run Foam Tires except the 4WD Rookies which is required to run Rubber sedan tires, & 1/18th Sliders.
- Log-on to www.SkagitRiverRaceway.com for Class Specifications, Motor Approvals & Weekly Points Standings, Results & Track Records.
- Each Class will run 2 heats and a Main Event. All races will be 5 minutes with 2 minutes between races.
- Reverse is not allowed. If used during a heat – Penalty of One finishing position in the Main.
- If used during a Main – The Penalty will be the Loss of Points for the night.
- Rookies that move up to a new class** will receive last place points for their new class for each night they raced.
- Rookies can only run in the Rookie Class.
- Aerodynamics – No Metal Wings Allowed & No Side-Dams allowed, unless Class Rules allow them (*See Sliders*)
- Rear Spoilers shall be 1.5" in chord height unless otherwise specified in the Individual Class Specification.
- Screws must be securely tightened on the bottom of all cars to prevent damage of the Carpet.

MOTORS

- NORA Approved brushless or brushed motors per class specification. 1/18th scale must box stock or equivalent replacement motor Get caught running boost on your ESC in a SPEC class and you will lose your points or the night. 2nd time, all year.

BATTERIES

- Sub C Batteries are limited to a maximum 4600 MAH. 4 to 6 cells maximum depending on class Lipo's Limited to 8,000mah 2s. 1S for Pan Cars.
- LIPO Batteries MUST be Hard Cased Type, and conform to class specifications..
- When charging LIPO batteries... LIPO Chargers must be used & **LIPO Sacks are mandatory.** *If you have never charged a lipo and need help...ASK!!!*

CORNER MARSHALING

- You must corner marshal for the race immediately following after your race.
- If you are unable to corner, you must find a qualified substitute (racers or members only) to take your place.
- Please corner marshal to your best ability as if it were your car that needs marshalling. When marshaling, WATCH THE RACE!! At this time, you are not a mechanic, if a car breaks, pull it off the track and place it up-sided down in a safe place and continue Marshalling!.
- If you should fail to corner marshal, or find a substitute, you may be given a 10 lap penalty from your Main finish.

TRANSPONDERS & FREQUENCY FLAGS

- All transponders and frequency flags **must be returned immediately after each race** – Before you corner marshal.
- If you have a 27Mhz or 75Mhz radio system you must have a frequency flag in order to turn your radio on.

- 2.4GHz DSM radio systems do not require frequency flags, but **must be** registered at the computer for racing.
- If Transponders are taken from the track, the following penalties will be enforced: \$20 late fee. \$100 if Lost. **This Will Be Enforced!!!**
- It is STRONGLY recommended that racers purchase they're own AMB personal transponder. House transponders are available at the track and are being phased out over the next season or two..

GENERAL INFORMATION

- All Racers must bring their own Tables, Chairs, Extension Cords, & Power Strips.
 - Practice Sessions will be held on Wednesdays.
 - Work Parties for Track Maintenance will be announced. Please come to help.
 - We must observe a 5 MPH speed limit when driving on The Skagit County Fairgrounds Property.
 - DO NOT Park** on the Grass anywhere on The Skagit County Fairgrounds Property.
- ### RACING AND MEMBERSHIP FEES
